Clothcraft Stands the Acid Test

YOU always find in your Clothcraft suit a regularly signed, legal, binding guaranty that the suit is pure wool.

That guaranty could not be given if the makers and we ourselves did not absolutely know the goods to be pure wool.

This is the test: Pure wool boiled in caustic potash completely dissolves. If there is any cotton in the mixture, it remains.

Every piece of cloth coming from the mills must be able to stand this test before it is accepted for Clothcraft.

Wool lasts. Wool keeps its stylish shape and color. When you can have all-wool guaranteed at \$10 to \$25 it is foolish to take anything less. Then come in today and pick out your Clothcraft suit or overcoat.
